FINRA REGULATORY NOTICE 26-08: ALGORITHMIC TRADING GOVERNANCE

Prepared by: Michael Vance (SSN: 111-22-3333, Email: mvance@broker-dealer.finra.org)

POLICY MANDATES & REGULATORY UPDATES:

[1] Member firms must update customer order routing disclosures monthly on public websites.

[2] Supervisory procedures for algorithmic execution systems must undergo annual independent stress audits.

[3] Pre-trade risk controls must enforce automated kill-switches for anomalous message volume.
